

Expression of Interest in a Dormitory Room

Before filling in this form, please make sure that you already applied online to a dormitory room:
<https://www.studierendenwerk-stuttgart.de/en/onlinebewerbung-wohnen>

This document is **NOT an application form** and it does not replace the online application. If you want to rent one of the dormitory rooms, you must apply for it online first. **Important:** After having completed the online application, you will receive an email with a **confirmation link**. You must **confirm your application with this link**, otherwise your application will be considered invalid. **You can only be guaranteed one of the dormitory rooms of the M.Sc. WASTE contingent if you completed the online application first and sent back this form to the M.Sc. WASTE Office.** In case you do not intend to rent a room, please let us know by checking the box below.

I am NOT interested in renting one of the dormitory rooms.

Please note: The M.Sc. WASTE program offers a certain contingent of dormitory rooms to the freshmen students. Unfortunately, the program only has a **limited number of rooms** that might not be enough for all students. Therefore, and because it is extremely difficult to find a room in the private housing sector, we strongly advise you to make use of the room contingent provided for M.Sc. WASTE.
